Modernisation is a continuous process which includes/involves, *inter-alia*, re-organisation of existing mines, introduction of modern technology and opening of new mines for enhancing production and productivity. The coal companies do not separately allocate resource for modernisation of coal mining operation from their plan outlay.

During the Mid-Term Appraisal of 9th Five Year Plan held in 1999, the Planning Commission had allocated a plan outlay of Rs. 12000.00 crores and Rs. 1665.32 crores to Coal India Limited and Singareni Collieries Company Limited respectively. To achieve the above said targets, the source of funding at the time of Mid-Term Appraisal of the 9th Five Year Plan was projected as under:

(Rs. in crores)

Company	I.E.B.R.	G.B.S.	Total Plan Outlay
Coal India Limited	11780.00	220.00	12000.00
